Completed Academic Terms
Length of Next Work Term

0/5 4/8 4 months

Education

BSc Computer Engineering (Nano) Co-op | University of Alberta, Edmonton | September 2017 – April 2022 (Expected)

■ Favorite Classes: Tangible Computing (Python, C++), Digital Logic Design (VHDL)

Projects

Edmonton Restaurants | ARDUINO/C++

- Arduino based project displaying a map of Edmonton as well as locations of restaurants via an OLED display
- Functionality includes touch display, restaurant rating selection, different sorting techniques, scrollable lists, and joystick use to move around the map

Gravity Simulator | PYTHON

- Simulator for a free-falling ball using the Pygame library. Displays the movement of the ball via an external window, as well as live values in the terminal
- Functionality includes user determined constants consisting of initial height, initial velocity, and constant acceleration

Work Experience

Back shop & Pro shop Associate | Grande Prairie Golf and Country Club

May – August 2018

- Managed a club storage system, and assisted in leading as well as managing the back-shop team
- Assisted in running and maintaining the Pro shop while maintaining a proper schedule on the golf course

Wardrobe Consultant | Moores Clothing for Men

March – August 2017

- Sold men's clothing and suits to ensure all their professional needs were met
- Processed over \$3,000 in cash, debit, and credit card transactions daily, assisted in cash outs

Freestyle Ski Coach | Northern Extreme Freestyle

November 2016 – April 2017

- Mentored, coached and evaluated young freestyle skiers
- Lead as a team coach at out of town competitions demonstrating leadership

Skills

Languages: Python, C++, MATLAB

Operating systems: Windows, Linux, MacOS

Other: Digital logic (VHDL)

Extracurricular

Volunteer and Hobbies

St. Josephs College House Committee Sports Representative

September 2018 - Present

St. Josephs College Student Mentor and Tutor

September 2018 - Present

Built a custom computer, and assisted people on Reddit forums when choosing their own components

Sports

- Member of the UAlberta and Intramural Cup winning Unit at the University of Alberta, September 2017 Present participating in: Ice Hockey, Volleyball, Soccer, Slo-Pitch, Water-Polo and more
- St. Josephs High School Volleyball Team Captain

September - December 2016

1st degree black belt in Taekwondo

<u>Achievements</u>

University of Alberta Intramurals Participant of the Year

September 2017 – April 2018

Celtic Coach's Choice Award, Celtic Spirit Award

2016

Dilan Lebrun Sportsmanship Award

2015
